Legal Awareness - The need of the hour

The pandemic has caused a sudden disruption to many lives and homes. In times of such uncertainty, it is extremely crucial for people to understand the legalities around managing and **passing their wealth or estate to the right beneficiary through a REGISTERED WILL.**

With so many divorce petitions delayed in the wake of this pandemic, women and children financially dependent on the father or the family have suffered a great deal, not understanding their legal rights fully. The videos on a **women's legal Rights and Maintenance in the case of a legal separation/divorce has been created to empower women and seek justice.**

Mr. Umesh Trivedi, Senior Advocate, MP High Court, has devoted his 45 years of experience in serving justice to people of MP, and now, through the online channels by imparting his knowledge for CHHAYANke's noble cause. Each Youtube Video is a masterclass in itself, giving the necessary information and direction to people where justice is being delayed. The father-daughter duo have drawn synergies from their individual worlds and collaborated brilliantly for this humanitarian cause.
